Sub : NOC to NML-Kerala Public School for CBSE Affiliation.

Dear Sir,

We have 10 acres of land sub-leased to us by Tata Steel in the year 1993 for our educational and socio-activities

On this land we constructed a block consisting of four rooms to start a Nursery School. Since we did not have a professional school management, we outsourced it along with the land measuring 3 acres to Kerala Public School Trust, an NGO with rich experience in the field of education.

The aforesaid School (now named as NML-Kerala Public School) was given along with 3 acres of land to Kerala Public School Trust, vide Registered deed of Agreement (Regn. No. 1836 dated 22-05-2013) for a period of 30 years. This period is extendable after expiry on mutual consent.

The Schedule of the land given to school is as stated below:

Area	03.00 Acres
Boundary	West : Bhuiyadih Basti South : NML Land East : Oxygen Colony North : Bhuiyadih Basti
Particulars	Plot No. 2421, 2359 and 3241 Mauza-Sakchi, District : East Singhbhum, Jharkand

We hope this clarifies the position of the land and would request you to consider the application of NML Kerala Public School and the affiliation may kindly be granted at your earliest.

Thanking you,

Yours faithfully,

(S. R. Hembram)
