Topic - THE CRANE

Work to be done : **Complete page 8**

as per instruction given in your drawing book.

DRAWING

If the subject to be drawn is of white colour, use dark shades of colours in the background. The dark background would automatically highlight the subject. Complete the picture of the crane by tracing its outline with black pen. Now paint the background with dark colours. Details of the feathers of the crane may be created with the help of blue or grey colour.
