Chapters:

- Unseen Passage
- Degrees of Comparison
- Possessive Adjectives
- Prepositions
- Creative writing- My Country

a. Read the passage and answer the questions given below:

I was tired and went to sleep. Chunky , my dog, pulled my shirt and woke me up. I smelt some smoke! A fire! I tried to open the door of my room but it was too hot to touch. The fire must be outside. I soaked some towels in water and put them along the bottom of the door. Then I tried the telephone but the line was dead. I started coughing as some smoke was now getting past the towels and filling the room. Then I heard the fire alarm go off. I now lay on the floor waiting for help to arrive. Time seemed to stand still. Soon the sound of the fire engines reached my ears. I rushed to the window and started shouting and waving. Chunky barked loudly. Moments later the firemen broke open the door and saved us. I hugged Chunky, who had woken me up in time and saved my life.

A. Answer the following questions.
